

**Gospel of
Atheism**

RULES – IF YOU WANT THEM!

These are the laws of Humanism for those who want laws. Different systems can create different rules.

1 [Salvation by
atheism](#)

It is important to encourage the development of flexible humanist societies in every area. However, it should not be necessary to be an official member of any Humanist body to be an Humanist.

2 [What is self-
esteem?](#)

For societies that want to base themselves on this book, all members must agree that this book is at least a fairly good interpretation of the truth that Atheism is love. They can hold that it has the right to be the standard work and the textbook from which all teaching is done. Whoever accepts the basics and no more will be admitted as long as they are open to let their reason see that what we teach is correct.

4 [How to love
yourself](#)

This book, The Gospel According to Atheism, is not to be altered or added to, except by the author. Without this book we are nothing for it is the voice of simple and undefiled wisdom and is enough to refute all religion and similar nonsense with their convincing books that are full of clever lies and half-truths and which offer evidence while ignoring the stronger evidence that says the opposite so we need to depend on for it alone with its straightforwardness can be our fortress against the cannons of the deceivers. Nobody shall add to this book or subtract anything from it for the building of Humanism needs a rock to repose upon making it impregnable.

5 [You want to be
happy.](#)

6 [You can be
happy.](#)

7 [To love
yourself
means loving
yourself alone
ultimately.](#)

We will throw fortnightly parties which are centred on learning from this book to spread the word and to which outsiders will be invited. Every Humanist must be there except for a good reason for we need to reflect and meet one another to build up and maintain our self-esteem through mutual support and advice. We cannot have a Society and a revolution without regular meetings. One idea for the Humanists to choose a house to meet in and invite the Tutor of Humanism to visit the house on a Sunday every fortnight and lead a meeting and celebration then. Interested neighbours and friends should be welcomed and encouraged to come.

8 [Fear is the
father of evil](#)

9 [Nobody makes
you unhappy.
but you](#)

Nobody can be expelled - ever; except when it happens that they renounce the teaching when they disfellowship themselves. These must be won back by being listened to and by friendliness and kindness. A Tutor will be available in every area and will visit anybody who is in danger of being won back to religion. One of the conditions of membership is agreeing to avail of their assistance.

10 [Let happiness
come just pave
the way and
trust yourself](#)

All have a vital part to play and all are equal. Leaders are necessary but they must serve and not be served or to tell anybody what to believe.
